## Minister of Music and Worship

The Cross Church, SBC, is seeking a part-time, bi-vocational Minister of Music and Worship. This position is responsible for coordinating, developing, and implementing a program of church music—both traditional and contemporary--designed to bring people into a worship experience with God, a deeper fellowship with their church family, and to provide ministry experiences both within and beyond the local church under the supervision of the senior pastor. He/she must have sufficient training and ability in vocal and instrumental music to effectively lead the church music and worship program.

The Cross Church is a growing moderate-sized congregation. It features two Sunday morning worship services—one blended traditional/contemporary and the other contemporary-- and Sunday evening that feature music. Yakima is a community of approximately 65,000 that offers most amenities, but retains small town convenience.
